Unique tour in Belgrade

PHOTOTOUR BELGRADE

Your most beautiful memory of Belgrade

Experience Belgrade from its most beautiful angles and take home with you an album of professional photos of your visit. Factory of Photography and City Break Apartments are taking you on a unique phototravel through Belgrade.

A professional photographer guide will uncover for you original and creative angles of Belgrade seen through a photo camera and photo capture your most beautiful moments during the tour. Yours is just to enjoy and have fun discovering the city.

Are you interested in learning the secrets of a professional photography and try it for yourself while experiencing Belgrade? Our photographers are at your service!

Unleash your creative side and have fun when in Belgrade.

You can choose some of our suggested routes

- Rivers of Belgrade
- Dorćol eternal charm of contrasts
- Street art Belgrade creative energy
- Kalemegdan Fortress

or simply contact Factory of Photographers directly for arrangement about the part of the city you find inspirational! Tours are organized upon request 7 days a week and at hours of your choice.

Tour options you can choose from:

1. A professional photo session and a photo album in electronic format after the tour.
2. A class in photography while discovering Belgrade.

Tour duration: 2H

Tours are available in Serbian and in English language.

All tours are walking ones with a starting point from Factory of Photographers school at Kosančićev venac.

Tour prices include a guided tour and one of the two options of a photographer engagement. Additional costs such as food, drinks, shopping, tickets, transport etc. are not included in the prices.
